Forecast For Scotland
Issued by Met Office Aberdeen
at 1600 on Tuesday 28 Sep 2021

++ Valid for broadcast between 1800 and 0600

Headline:
Overnight rain Shetland clearing with showers in west dying out.

This Evening and Tonight:
Any rain in east soon becomes confined to Shetland this evening, the rain d occasionally heavy overnight. A few showers continue across the west overnight with some long clear spells developing in central parts, where chilly with patchy mist.

Wednesday:
Remaining rain over Shetland soon clearing east and showers in west gradually dying out, otherwise dry with sunny spells. Cloud and winds in west increasing through the evening.

Outlook for Thursday to Saturday:
An unsettled end to the week with showers or longer spells of rain, occasionally heavy especially over western hills on Thursday. Breezy throughout, with gales in northwest on Thursday.
